Family Portrait Package (\$220):

Every family should have a special photo to freeze a moment in time that is treasured for decades to come.

Our Family Portrait Package is affordable and great value - giving you a wide variety of images to treasure and share.

***We bring our mobile studio to your home**

*** Individual portraits of each member of your family (Including pets)**

*** Group shots of your family**

***Studio and/or 'Location' Shots**

***All images in Hi-resolution provided for you to keep**

***Your favourite 3 images digitally enhanced**

***Two 8" x 10" prints & One 8" x 12"**

Our sessions are not 'timed' so there is no pressure of watching the clock. We will keep shooting until we have enough shots to be sure that you will have a choice of fantastic photos to choose from. Sessions generally last around 2 hours, and you will receive around 100 photos. Further prints/enlargements available at reasonable rates.
